N/A	Digipack CD	190394265403	N/A

### OVERVIEW

Greek alternative / grunge rockers 10 CODE, rise with the amazing debut full length album that is "Swiftlets". Delivering a powerful combination of Foo Fighters-styled stadium rock, the minimal rock groove of Queens of the Stone Age and the sophisticated grunge-rock approach of Soundgarden, 10 CODE bring in life what seems to be one of the most important records of the Greek alternative rock scene, for 2016. The amazing vocals of frontman Petros Potamianos combine the wide range and singing style of Chris Cornell (Soundgarden, Audioslave) with the aggressive feel that Monster Magnet's Dave Wyndorf delivers when singing in a higher register, sometimes sounding pretty close to Dillinger Escape Plan's Greg Puciato. The tight rhythm section gets empowered by the powerful sound production of renowned sound engineer and producer Alex Bolpasis (The Noise Figures, Transistor etc) at Artracks Recording Studios, Athens, Greece, resulting in an impressive outcome, suitable for all rock fans, regardless of the genre.

### MARKETING & PROMOTION / SELLING POINTS

- Debut full length album from Greek alternative / grunge rockers 10 CODE.
- Released in digital format on February 10<sup>th</sup>, 2016 and in CD format independently and promoted by 3P Lab (Breath After Coma, Anal Veritas, Black Hat Bones, Universe217, Mother of Millions, Cemetery Dance, Cellar Dogs, Narcosis, PR of Trailblazer Records and ROAR! Rock of Angels Records) on March 18<sup>th</sup>, 2016.
- 10 CODE have participated in Exit Festival 2015, Serbia, as an opening act for Motörhead and in EuroMusic Contest 2014, Paris, France, being one of the 10 finalists, selected among 3267 contestants, coming from 40 European countries.
- 10 CODE have been a featured artist in Jamendo (the world's largest digital service for free music) with over 460.000 plays and 90.000 downloads until now.
- "Swiftlets" is a deeply melodic, yet heavy and groovy alternative / grunge rock album that sounds current and updated, and features both simple and sophisticated rock songs, of the ones that sound equally good in small venues and large stadiums, performed by a tight rhythm section and sung by an influential vocalist. Suitable for fans of the modern rock of Queens of the Stone Age and Foo Fighters as well as for 90's grunge rock enthusiasts that are into the sounds of Soundgarden, Pearl Jam and Alice in Chains or even Smashing Pumpkins and Nirvana fans.
- "Swiftlets" was produced & mixed by Alex Bolpasis (The Road Miles, The Noise Figures, Transistor, Whereswilder) at Artracks Recording Studios, Athens, Greece and mastered by Yannis Christodoulatos at SweetSpot Production Studio, Athens, Greece.
- The album's cover artwork was designed by Irene Rapti.
